Applicants requesting Advanced Placement will be considered as space is available. After receiving an application with required documentation, the nursing committee will review and determine the appropriate semester for which the student may test.

The nursing committee will evaluate the applications for advanced placement or transfer based on numerous factors. Students applying for advanced placement **will need to complete the following items:**

1. Pass skills evaluation.
2. Pass placement exam with a Level 2 proficiency score or better. ATI Medical Surgical Exam (Those who do not meet the required exam score can choose to be placed a semester lower or apply as a new applicant.) **Please note:** The ATI Medical Surgical Exam review module textbook is available in the library as a student study resource.

I certify that all the information provided by me is true, complete and accurate. I am responsible for the provision of all requested information. Failure to provide proper documentation may adversely affect my evaluation. I acknowledge that admission into the program is conditional upon successfully completing all requirements.
