## EMERGENCY MEDICAL TECHNICIAN PROGRAM

Phone: 928-468-8039  
Website: <https://gilacc.org>

The goal of the Gila Community College (GCC) Emergency Medical Technician Program is to prepare competent entry-level EMTs in the cognitive, psychomotor, and affective learning domains. GCC offers an Emergency Medical Technician education program for qualified candidates. Completion of the EMT 103 – Emergency Medical Technician\* course prepares the student to sit for the national certification exam for Emergency Medical Technicians. EMT 103 is offered at GCC – Payson Campus in the Fall semester.

### **EMERGENCY MEDICAL TECHNICIAN\***

EMT 103 — Emergency Medical Technician

EMT 103L — Emergency Medical Technician Lab

EMT 121 — Cardiopulmonary Resuscitation **OR** provide current AHA BLS Provider card.

### **EMERGENCY MEDICAL TECHNICIAN – Certificate of Proficiency\*\***

Completion of additional courses in the program enables the student to petition for the Certificate of Proficiency in Emergency Medical Technician\*\* from the College. This **is not a requirement for national EMT certification**. This information is for students interested in continuing their education in the field and obtaining the EMT certificate from Gila Community College.

BIO 160 - Introduction to Human Anatomy and Physiology <b><u>OR</u></b>	4 Credits
HCE 156 - Science for Allied Health <b><u>OR</u></b>	4 Credits
BIO 201 <b><u>AND</u></b> BIO 202 - Human Anatomy and Physiology I & II	4-8 Credits
EMT 121 - Cardiopulmonary Resuscitation <b><u>OR</u></b>	.5 Credit
EMT 122 – First Aid and CPR	2 Credits
HCE 112 - Medical Terminology	2 Credits
HCE 171 – Introduction to Pharmacology	3 Credits

All courses must be completed with a grade of “C” or better. Students who complete at least 50% of the credits with GCC and remove any indebtedness to the College (if applicable) are eligible to petition for the certificate.

*Students who accumulate excessive absences throughout the EMT 103 course should be aware they may not complete the number of hours required by the state for the EMT Program.*

Entry into the EMT program requires formal admission before the candidate can be registered for courses. Contact the GCC-Payson Administration Office at 928-468-8039 for information regarding admissions and registration.

### **GENERAL INFORMATION**

We appreciate your interest in the EMT Program and hope the following information will help you determine whether you are currently qualified for admission to the program. If you feel you are qualified, an application is included in this packet. Complete the application and bring it with supporting documentation to the administration office. Qualified applicants are admitted on a first come first serve basis. The GCC EMT course is limited to 24 students.

## **APPLICATION REQUIREMENTS**

All applicants must meet the following qualifications at time of application:

1. Completed Emergency Medical Technician Training Program Application.
2. Proof of applicant's age (All applicants must be 18 years of age or older by the end of the course).
3. Proof of completion of ENG 113, or proof of at least a 10<sup>th</sup> grade reading level on the College approved assessment test. (Accuplacer Next Generation Reading score of 250 or Accuplacer Classic Reading score of 60) *\*Your GCC reading assessment test score is available online or from your advisor.*
4. Current American Heart Association BLS Healthcare Provider card or proof of concurrent enrollment in EMT121.
5. Health insurance coverage that remains in effect throughout the course of training and certification process.

## **PROGRAM COSTS**

	<b>Tuition</b>	<b>Fees</b>
EMT 103 - Emergency Medical Technician - 9 Credits	\$882	\$300

### **Courses needed to complete the Certificate of Proficiency include:**

BIO 160 - Introduction to Human Anatomy and Physiology <b><u>OR</u></b>	\$392	
HCE 156 - Science for Allied Health <b><u>OR</u></b>	\$392	
BIO 201 <b><u>AND</u></b> BIO 202 - Human Anatomy and Physiology I & II	\$784	
EMT 121 - Cardiopulmonary Resuscitation <b><u>OR</u></b>	\$49	
EMT 122 – First Aid and CPR	\$196	
HCE 112 - Medical Terminology	\$196	
HCE 171 – Introduction to Pharmacology	\$294	

The \$300 course fee listed above helps cover the following required and consumable items:

- My Clinical Exchange
- One-month subscription to medictests.com for NREMT test prep
- Reimbursement cost of the students passing NREMT attempt
- One Uniform shirt (Additional shirts may be ordered and paid for by the student, if desired.)
- Program Materials/Equipment

Prices listed above are only the tuition for the specific courses listed. Taking more than one course over the duration of a semester among other factors may change the total cost for tuition. Books or associated class supplies are not listed for the above courses nor are they covered under the \$300 EMT course fee. For accurate estimates of total program costs, please contact the GCC-Payson Administration Office.

**CLASS SCHEDULE**

EMT 103 is a program only available during the Fall semester. Class run for one semester starting in late August and ending in early December. Students will attend class on campus Tuesday evenings from 5:30 p.m. – 8:50 p.m. and Saturdays from 8:00 a.m. – 4:50 p.m. Students should be aware the instructor will begin scheduling clinical and vehicular rotations over the course of the semester. These times and days may fall outside of traditional class time periods. At the beginning of the semester the instructor will go over course scheduling, class requirements, expectations, and the syllabus.

**HELPFUL SUGGESTIONS TO BE SUCCESSFUL IN EMT SCHOOL**

- Develop good communication and people skills with an emphasis on development of good patient rapport.
- Develop STRONG leadership skills. Learn to delegate and give direction to others in a decisive manner without being too abrupt.
- The EMT course requires a large time commitment. Make sure you are ready to commit the time and energy to your education. Do not fall behind.
- Find a study regimen that works for you and stick with it.
- Be dedicated to your education and to the program. Make becoming an EMT your #1 goal.

## Student Agreement and Release

The student is enrolled in a course of study at Gila Community College designed to enable the student to become a licensed/certified Emergency Medical Technician or other similar pre-hospital health care provider. As part of the curriculum, the student will take part in clinical/vehicular experiences which are offered through the school, with outside companies (Company/Company's) assistance. The clinical/vehicular experiences involve: 1) Student performing acquired pre-hospital skills alongside Company personnel and 2) accompanying and observing Company personnel providing emergency and non-emergency ambulance transport, care, and related services.

The student is fully aware the clinical/vehicular experience is completely volunteer for educational purposes, not for compensation. The student has asked to participate in clinical/vehicular experiences knowing participation will require the student to accompany Company personnel in dangerous and potentially life-threatening situations. The student realizes the Company and Gila Community College could not, and would not, allow the student to accompany Company personnel without his/her agreement to: (i) release the Company and Gila Community College from any and all claims for injury or death which may result from the student's participation in the program; (ii) assume the risk of death or injury associated with the clinical experience; (iii) agree to read, understand, and follow Company's policies, procedures, and guidelines; (iv) act in a professional and respectable manner at all times; and (v) follow the instruction/direction of Company personnel with respect to patient care, demeanor, safety, use of personal protective devices, scene control, etc.

The student understands he or she is exposing himself or herself to certain risks inherent in the activities associated with the clinical experience. The student hereby represents that he or she agrees to assume the risks inherent in these activities. These risks include but are not limited to, being hurt or injured; (1) by broken glass (or other scene hazards) including various cuts about the head, face, eyes, hands, legs, and torso; (2) by exposure to tetanus or contagious diseases such as the Hepatitis B virus, Human Immunodeficiency Virus ("HIV"), COVID 19, etc.; (3) injury due to gurney lifts and or drops; (4) injury from slip and fall type incidents; (5) various strains and/or sprains to one and/or all muscle groups; (6) risks associated with emergency vehicle operation; and (7) risks at the scene of emergencies including assault and battery.

In consideration of Company's agreement to provide the clinical experience to the student, the student agrees to release and forever discharge Company and its agents, employees, affiliates, parent corporation, successors, as well as Gila Community College and assigns of and from all claims, demands, suits, injuries or damages of any kind arising in any way out of the participation in this program.

By signing this document, you acknowledge that you have been advised that there are risks inherent in this type of activity and have decided to assume that risk and release the Company and Gila Community College of and from all liability. You agree to release the Company and Gila Community College from any claims associated with the event and that you, not the Company or Gila Community College, are assuming complete and total responsibility for any and all injuries, damages, or losses that you may suffer as a result in participating in the clinical/vehicular experience program.

**I agree to all terms set forth above.**
